PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 11th October 1958

SUBJECT:—*Import of seed potatoes (S. No. 17/IV) from Burma during the period October 1958—March 1959*

No. 82-ITC(PN)/58.—In pursuance of the Protocol to the Indo Burma Trade Agreement, it has been decided to permit import of a limited quantity of seed potatoes from Burma on rupee payment during the half year October, 1958—March, 1959. The imports will be canalised through the State Trading Corporation, who are being asked to work through the Established Importers and Established Co-operative Societies, the share of each individual importer in the business being determined on the basis of past imports of seed potatoes made by them during any one of the three financial years 1954-55, 1955-56 and 1956-57. Prices and procedure for distribution and retail sales will be finalised by the State Trading Corporation.

2. Established Importers intending to participate in this scheme of importing seed potatoes from Burma under distributional and price control which will be supervised by the State Trading Corporation are requested to have their quotas established in respect of imports of seed potatoes with the licensing authorities at Calcutta and Madras. Applicants within the jurisdiction of J.C.C.I., Madras should submit applications to that authority and applicants from other areas should apply to J.C.C.I., Calcutta. Such applications should be submitted to these authorities not later than the 20th October, 1958.

3. Co-operative Societies who have imported seed potatoes during any one of the three financial years ending 1956-57 and who intend to participate in this trade may also produce evidence of past imports to the above authorities.
